JOB POSTING

TITLE: Working Crew Chief
SALARY: \$27.61/hour
REQUIREMENTS: Commercial Drivers License with minimum of one-year driving experience. Other requirements as per the Union Contract (listed below).

DISTINGUISHING FEATURES OF THE CLASS:

The work involves performing certain skilled labor and supervising the work of a group of laborers or semiskilled laborers. The incumbent in this class performs skilled labor and supervises workers performing routine operations involving physical effort and occasionally requiring limited trade knowledge. Work involves assigning duties and maintaining work schedules for employees. Employees in this class exercise independent judgment and make decisions within the scope of their specific assignment. Assignments are received in oral or written form and work is subject to review and inspection by supervisor; does related work as required.

TYPICAL WORK ACTIVITIES:

Performs skilled labor in the maintenance of sewers, streets, water lines, highways, buildings, parks, or in garage operation;
Operates and maintains motor equipment including mechanical repairs;
Supervises the work of a moderately sized group of workers including laborers, mechanics, and/or motor equipment operators doing routine maintenance work such as barrier erection, street patching, installation of drainage systems, hauling of construction materials, and cindering on municipal roads, bridges, and tunnels;
Supervise the work of a moderately sized group of laborers cutting trees, cutting brush, and gathering litter at municipal parks, municipal roads, or municipal buildings
Ensures continual weather condition monitoring to evaluate the need for snow and ice removal and other weather-related maintenance requirements.
Regularly(weekly) updates the Village Board on the status of roads, municipal projects, equipment, and training needs.
Prepare the annual budget for the department of public works for approval by the Village Board and/or Budget Director.
Respond to all Dig Safely and NY Alert notifications.
Performs other duties as assigned.

FULL PERFORMANCE KNOWLEDGES, SKILLS, ABILITIES AND PERSONAL CHARACTERISTICS:

Good knowledge of construction work related to functions assigned; ability to read rough plans and follow general instructions; mechanical ability; ability to direct the work of others; resourcefulness; judgment; integrity; initiative; good physical condition.

MINIMUM QUALIFICATIONS:

High school diploma or equivalency and two years of experience in construction or maintenance work, or in the operation and maintenance of motor equipment.

NOTE: Verifiable part-time and/or volunteer experience will be pro-rated toward meeting full-time experience requirements.
